CASE NO. _____

**NOTICE OF INTENT TO ADOPT CERTAIN PROVISIONS OF AN
INTERCONNECTION AGREEMENT**

Pursuant to Section 252(i) of the Telecommunications Act of 1996 (the "Act"), 47 U.S.C §252(i), SouthEast Telephone, Inc., ("SouthEast"), through its undersigned counsel, hereby files its Notice of Intent to adopt a portion of the currently effective interconnection agreement between BellSouth Telecommunications, Inc. ("BellSouth") and Cinergy Communications Company ("Cinergy"). SouthEast is a utility within the meaning of KRS 278.010(3)(e) and is a competitive local exchange carrier or CLEC. BellSouth is an incumbent local exchange carrier or ILEC. SouthEast represents and warrants that it is an authorized provider of local telecommunications services in the Commonwealth of Kentucky and that its adoption of the terms covers services in the Commonwealth of Kentucky only. The referenced agreement, which is to be adopted only in part, was arbitrated in docket number 2001-00432. The Commission approved the final agreement in an April 21, 2003, Order. The CLEC party to this unexpired agreement is Cinergy.

SouthEast has elected to opt-in to a specific provision in the above-referenced interconnection agreement. Specifically, SouthEast elects to opt-in to numerical paragraph 11 (subsection 11.1), which reads as follows:

11.

11.1

Resolution of Disputes

Except as otherwise stated in this Agreement, if any dispute arises as to the interpretation of any provision of this Agreement or as to the proper implementation of this Agreement, the aggrieved Party shall petition the Commission for a resolution of the dispute. For issues over which the Commission does not have authority, the Parties may avail themselves of any available legal remedies in the appropriate forum. However, each Party reserves any rights it may have to seek judicial review of any ruling made by the Commission concerning this Agreement. Furthermore, the Parties agree to carry on their respective obligations under this Agreement, while any dispute resolution is pending.

Notice of this intent to adopt is being sent to:

Hon. Dorothy Chambers
BellSouth Telecommunications, Inc.
601 W. Chestnut Street, Room 410
P.O. Box 32410
Louisville, KY 40232

SouthEast intends to be bound by the terms of numerical paragraphs 11 and subsection 11.1 of the unexpired agreement, anticipating that these sections will be reproduced in their entirety and incorporated into the existing interconnection agreement between SouthEast and Bellsouth. A copy of the specific provision is attached to the original of this Notice and to the service copies provided to BellSouth. SouthEast will file additional copies of the Cinergy agreement if required by the Commission. The agreement containing the provision to be adopted may be viewed on the PSC's public Internet site at the following URL:

http://162.114.3.165/PSCICA/2001/2001-432/2001-432_032003.pdf

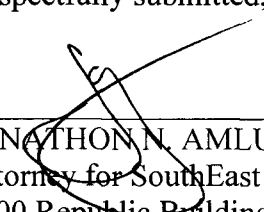

This Commission and the FCC have previously acknowledged the statutory right of carriers to opt-in, or "pick and choose" existing provisions of interconnection agreements by notice to the Commission. As the adoption arises from a statutory right, such a request may be reviewed expeditiously and promptly granted.

To the extent the Commission requires an executed Amendment, SouthEast has attached a proposed Amendment as Exhibit "A" to this Notice.

Wherefore, SouthEast respectfully requests that the Commission issue an order:

- 1) Acknowledging the adoption by SouthEast;
- 2) Approving the request and making the amendment to the interconnection agreement effective as of the date of the Order;
- 3) Requiring BellSouth to file with the Commission a true and complete copy of the approved Amendment.
- 4) To the extent required, ordering SouthEast and BellSouth to sign and file an adoption agreement as set forth in Exhibit A.

Respectfully submitted,
